WHY SLOVENIA?

Foreign direct investment (FDI) is equally important to Slovenia's economic growth as it is for global GDP and jobs worldwide. The Slovenian government has been working on improving the environment to attract quality business to the country and, in turn, create new jobs. For Slovenia as an FDI location quality has always been its core value and its cutting edge. Attention to quality runs in the blood of its people and in combination with vocational and university education makes the country's workforce often **No. 1 reason to invest** in Slovenia.
