

A low-angle photograph of a construction site. A large blue tower crane is the central focus, extending from the bottom left towards the top right. To its left, two orange tower cranes are visible. In the background, a multi-story building is under construction, showing concrete frames and extensive scaffolding. The sky is a clear, bright blue.

TRADITION IS FOR SALE**

# WHY SLOVENIA?

Foreign direct investment (FDI) is equally important to Slovenia's economic growth as it is for global GDP and jobs worldwide. The Slovenian government has been working on improving the environment to attract quality business to the country and, in turn, create new jobs. For Slovenia as an FDI location quality has always been its core value and its cutting edge. Attention to quality runs in the blood of its people and in combination with vocational and university education makes the country's workforce often **No. 1 reason to invest** in Slovenia.

- Strong healthcare system

# A COMPANY WITH MORE THAN 30 YEARS OF TRADITION IS FOR SALE

The reason for selling the business is that the owner would like to retire but would not want the operating company to liquidate as it has a good program.

In addition to the company itself, the real estate in which the company operates is also sold.
