

A large-scale construction project is shown against a clear blue sky. A prominent blue tower crane stands in the center, its arm extending diagonally across the frame. To its left, several orange cranes are also visible, some with loads suspended. The building under construction is a multi-story structure with a curved facade, featuring concrete pillars and extensive scaffolding. The overall scene conveys a sense of active development and infrastructure growth.

**I FEEL
SLOVENIA**

GREEN.
CREATIVE.
SMART.

INVESTMENT OPPORTUNITY:

**BUSINESS AND
PRODUCTION COMPLEX
IN ORMOŽ FOR RENT**

WHY SLOVENIA?

Foreign direct investment (FDI) is equally important to Slovenia's economic growth as it is for global GDP and jobs worldwide. The Slovenian government has been working on improving the environment to attract quality business to the country and, in turn, create new jobs. For Slovenia as an FDI location quality has always been its core value and its cutting edge. Attention to quality runs in the blood of its people and in combination with vocational and university education makes the country's workforce often **No. 1 reason to invest** in Slovenia.
